

EAGLE COUNTY PARAMEDIC SERVICES REQUIREMENTS FOR AMBULANCE PART-TIME EMPLOYEES

1. Must be 21 years of age.
2. Must have a current Colorado EMT certificate and be able to administer medical treatment consistent with such certificate without assistance by another person.
3. Must have a current Colorado Driver's License (non-probationary). Accumulation of three (3) citations during a period of three years, or **any** alcohol-related driving offense will make you ineligible for continued employment.
4. Must have a current AHA/Red Cross/ASHI CPR card (**professional rescuer**) and be able to administer medical treatment consistent with such training without assistance by another person.
5. Must be in good health with no restrictions that would limit job performance (see job description for details.)
6. Must have successfully completed the mandatory New Employee Orientation (see policy for details).
7. Must be available for work days or nights when not at another job. There is a **minimum work requirement** of two (2) duty shifts (12 or 24 hour) per month.
8. Must stay current with organizational information through meetings, logging on to schedule and reading email.
9. Part-time field employees of ECPS must maintain a 45-minute response to the Vail Base when on call.

These requirements must be met on an on-going basis to remain eligible for continuing employment with ECPS.
