- If IV authorized, initiate intravenous fluids to replace fluids lacking in the body, consistent with state and local operating protocols. IV authorization is to be acquired within one year of hire date for all new EMT-Basics.
- Applies AED to patient to restore heart rhythm in cases of cardiac arrest, consistent with state and local operating protocols.
- Administers initial treatment at an emergency scene and takes and records patient vital signs.
- Provide medical examination and screening of patients consistent with District and Medical Director protocols.
- Assists in extricating trapped victims and transporting sick and injured persons to a definitive care facility.
- Lifts, moves and places patients on stretcher, restrains patients appropriately, lifts and moves loaded stretcher safely to and from an ambulance.
- Observes, records and reports to medical control the patient's condition and reactions to treatment, drugs and significant incidents.
- Directs and coordinates patient care between agency (i.e. Fire/Police) personnel and other District employees.
- Obeys all traffic laws of the state of Colorado while driving and operating the ambulance. Drives ambulance in a manner appropriate to conditions, at all times considering due regard for the safety of self and others.
- Communicates with physician and other medical personnel via radio or telephone.
- Completes all reports, including patient care reports, legibly, accurately and before the completion of each shift.
- At each shift, checks medical/operating supplies utilizing ECPS's daily shift check sheet.
- At each shift, inspects all vehicles to ensure they are ready for service according to the ECPS's daily shift check sheet.
- Performs all duties in a safe, courteous, professional and confidential manner, always considering one's safety and the well-being of the patient.
- Maintains response readiness consistent with the District's response criteria.
- Uses safety and PPE equipment as required by law and District policies.
- Maintains clean vehicles and quarters pursuant to ECPS policies. Completes daily cleaning duties.
- Protects the privacy of patients at all times and in accordance with ECPS HIPAA policies.
- Other duties as assigned.

Essential Responsibilities Related to Client Privacy

- Expected to protect the privacy of all patient information in accordance with the District's privacy policies, procedures and practices as required by federal and Colorado law and in accordance with general principles of professionalism as a healthcare provider.
- May access protected health information and other patient information only to the extent that is necessary to
 complete job duties. May only share such information with those who have a need to know specific patient
 information to complete their job responsibilities related to treatment, payment or other company operations.
- Encouraged and expected to report, without the threat of retaliation, any concerns regarding the District's
 policies and procedures on patient privacy and any observed practices in violation of that policy to the
 designated Privacy Officer.
- Expected to actively participate in the District's privacy training and is required to communicate privacy policy information to coworkers, students, patients and others in accordance with District policy.
